

# Where is San Marino ?? How can I reach it ??

Coming from North or coming from South travel on the A14 "autostrada" – exit the A14 at "Rimini Sud" – follow the sign to San Marino – travel on the the motorway "SS72" – after about 12 kilometers you will reach the border with the Rep. of San Marino – keep on the motorway until you reach a sign "Domagnano" - at a "U" turn to your right you will see a cut in the guardrail and a small sign indicating "Aero Club " on your left – turn into that road and follow it for about 3.5 kilometers – reaching the small village "Torraccia"- you will see again a sign "Aero Club" – follow the road and after 300 meters you will see the airfield on your left.

The airfield has 2 takeoff strips : a short one and a long one (about 550 meters) – the Champs will be held on the long strip.

Parking and camping will be on your left as you enter the airfield. Do not drive down to the airstrip.

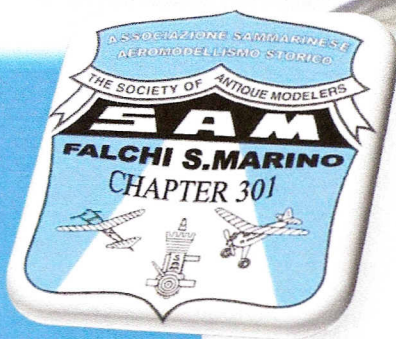

Be careful because there may be flying activity, takeoffs and landings of airplanes, airplanes exiting the hangars or returning to the hangars.

The organizing Committee will be at the airfield from ~~12~~<sup>13</sup> June early morning (perhaps the day before also).
