NOTE:

As at mid December: Previous arrangements for both lunch time on field catering and for the Saturday BBQ will not be continued as in previous years. New arrangements have not been finalised, and as such costs cannot be determined. We will endeavour to arrange for lunch time catering but as there was limited patronage of the on field catering last year this will present a problem. It is possible that flyers may need to provide their own lunches. Similarly, the Saturday evening BBQ may not be professionally catered. The committee has been considering alternative arrangements. Any charges incurred will be collected on the evening.
