Waco SRE

March 27, 2014

I have been out of commission for the past three days due to a medical procedure and a day o
SRE plans James Lollar sent me only show drawings for the right half of the top and bottom w
copy center this morning and had Russell print the new PDF file of the Waco SRE that Roland
other day. Then I had him digitally reverse the PDF file and print it again, which produced an i
the left half of the top and bottom wings. Drawings for the wings, stab, ribs and bulkheads we
of these two prints as shown below for construction purposes.....Tandy
